

Uploading Articulate presentations to Blackboard

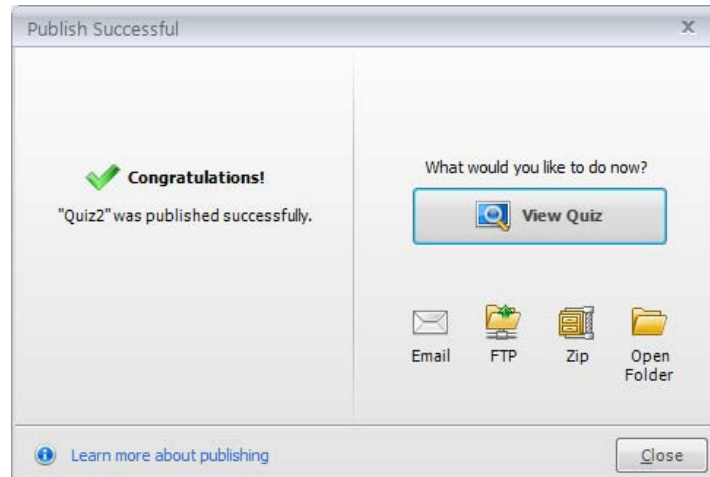

1. Create your Articulate Quiz and when you are happy with it in preview select publish to the LMS.

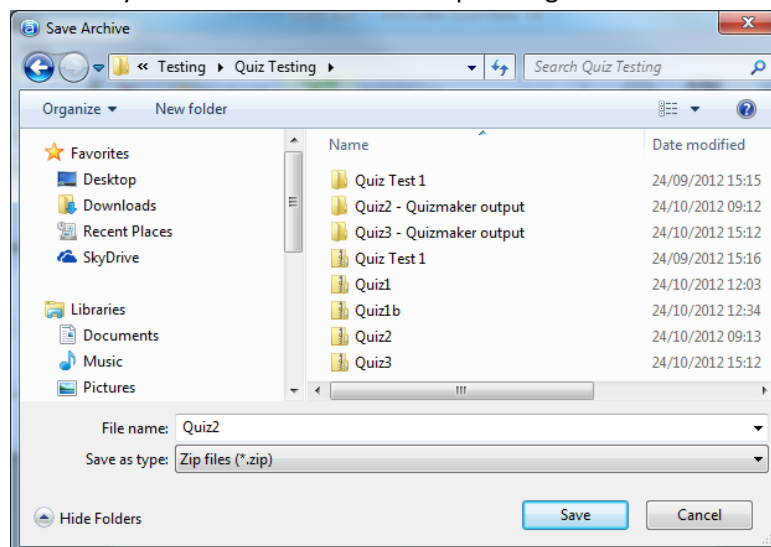

2. Select the button for Reporting and Tracking. Ensure that LMS is set to SCORM 1.2 and the reporting status is set to Passed/Failed then click OK.

3. Select publish and the following will appear.

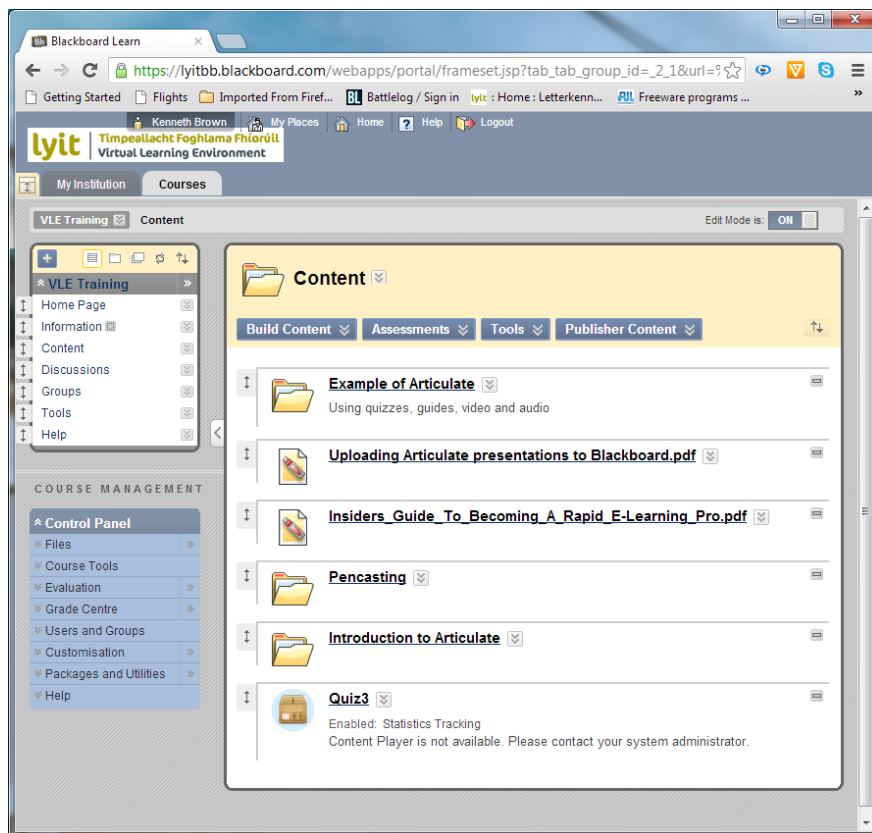

4. Select the ZIP option and choose the location of the zip folder/files. Take a note of the location because you will refer to this when uploading to Blackboard.

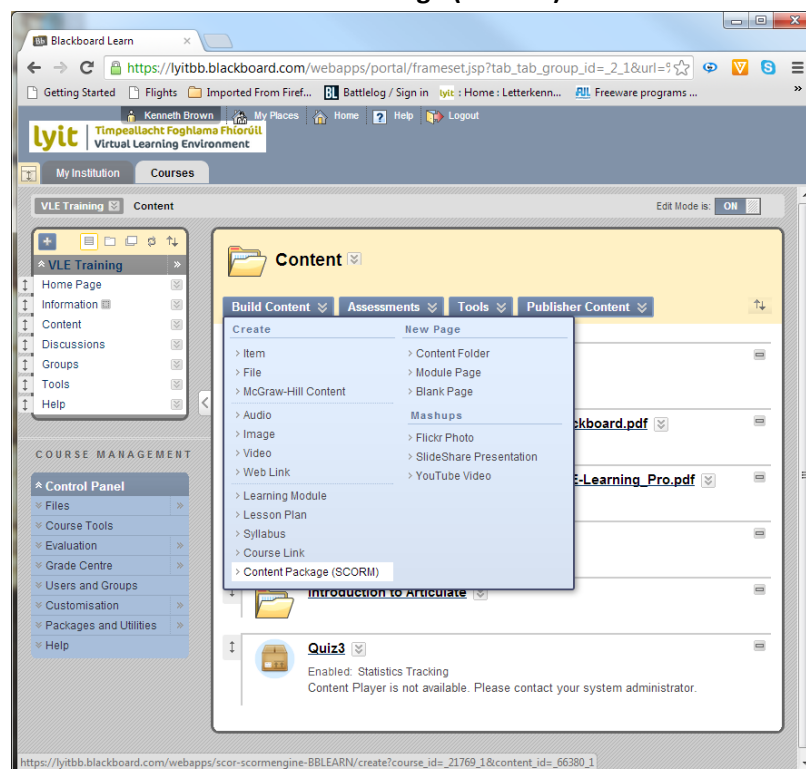

You can now close Quizmaker and your articulate files plus a zipped file will be in the destination folder.

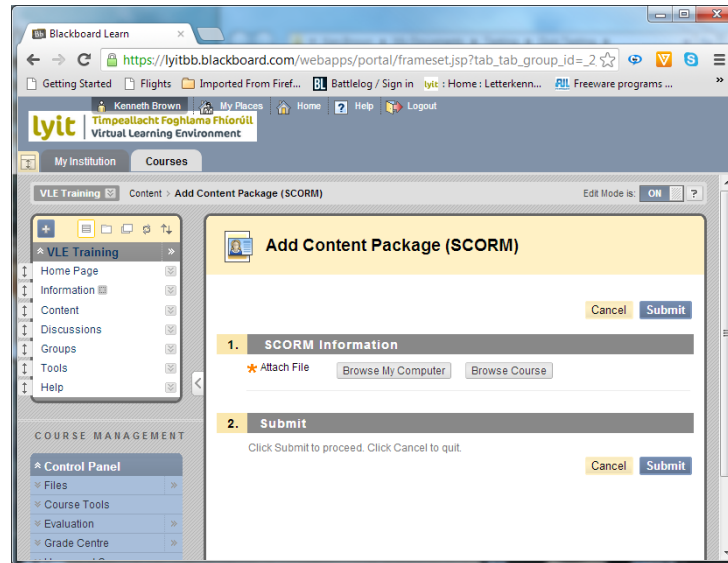

5. Log in to Blackboard and select **Contents**.

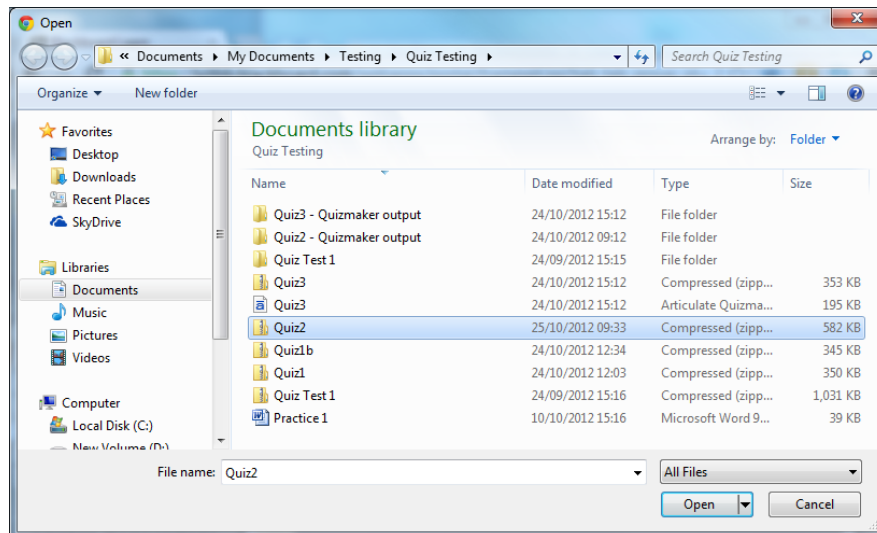

Select Build Content and locate **Content Package (SCORM)**

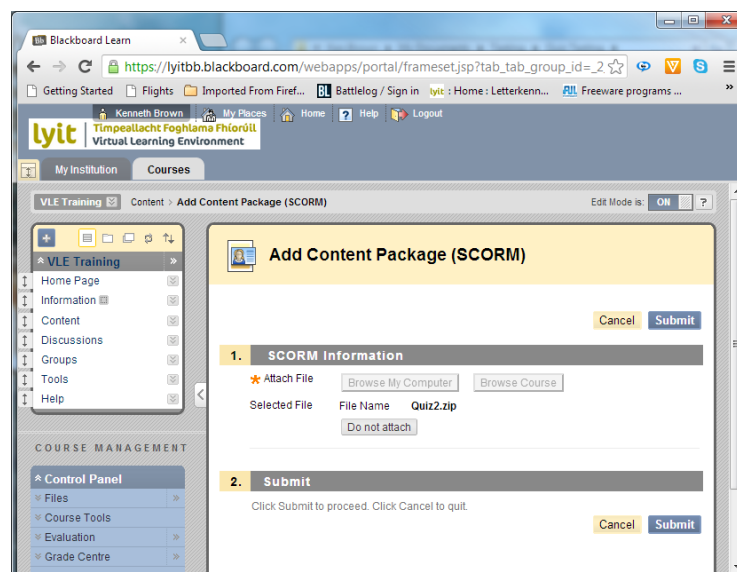

6. When the Add Content Package (SCORM) appears, select **Browse My Computer**

Select the location of the zipped folder for the Quiz, and select **Open**.

You will now be asked to submit the file.

7. When the quiz file is submitted you will then be able to edit the availability, etc., just like a normal quiz. To make the quiz visible to students ensure that the radio button to **Make SCORM available** is checked.

The screenshot shows the 'Add Content Package (SCORM)' form. At the top, there is a yellow header bar with the title 'Add Content Package (SCORM)'. Below the header, there is a note: '* Indicates a required field.' and two buttons: 'Cancel' and 'Submit'. The form is divided into sections. The first section is '1. SCORM Information'. It contains a 'Title' field with the value 'Quiz2' and a 'Description' field with a rich text editor. The rich text editor has a toolbar with various formatting options and a 'Text Editor is: ON' button. At the bottom of the form, there is a 'Path' field with the value 'body'.

The screenshot shows the '2. SCORM Availability' section of the form. It contains several settings: 'Make SCORM Available' with radio buttons for 'Yes' (selected) and 'No'; 'Number of Attempts' with radio buttons for 'Allow single attempt' (selected), 'Allow unlimited attempts', and 'Number of attempts:' with a text input field; 'Limit Availability' with checkboxes for 'Display After' and 'Display Until', each with date and time input fields; and 'Track Number of Views' with radio buttons for 'Yes' and 'No' (selected).

The screenshot shows the '3. Grading' section of the form. It contains several settings: 'Grade SCORM' with radio buttons for 'No Grading' and 'Grade : Points Possible:' (selected), with a text input field for 'Points Possible' set to '100' and a 'Quiz2' field; 'Grade SCOS' with radio buttons for 'Yes' and 'No' (selected); and 'Grade Timing' with radio buttons for 'When SCORM is completed, display score in Grade Centre' (selected), 'When SCO is completed, display score in Grade Centre:', 'Grade of First SCORM Attempt', and 'Grade of Last SCORM Attempt'.

Select **Submit** and the quiz will now be ready to run.
